

UNL Faculty Dance Club Map and Directions for Bands (updated 2022)

Follow the GREEN ROADS to the loading dock on the east side of the building.
Then find the yellow roads and follow them to the parking area which is north of East Union.

East Union's Night Manager: 402-472-9633

Key:

- L = Loading Dock -- do NOT leave vehicles parked at the Loading Dock. They will be towed.
- D = Dance
- P = Parking -- park in the rows closest to the East Campus Union (metered spaces are best, but don't pay). Exit parking lot at the N.E. corner

Faculty Dance Club Directions for BANDS

From the North (Huntington Avenue) to the East Union Loading Dock

Huntington Avenue is the east/west street that goes across the north end of East Campus (Huntington becomes Leighton at 48th Street).

From Huntington, turn south onto 38th, which takes you onto East Campus from about the center of the north edge. Continue south on 38th across a metal bridge. You will come to a four-way stop where 38th intersects East Campus Loop. **Stay on 38th** and continue south.

A second stop sign is at Fair Street. **Turn left onto Fair Street.**

Take the first right onto 39th.

Go about one block to Center Drive/Street. This street might not be marked, but is across from a parking lot where there is a green/blue light on a post. The building at the northwest corner of 39th & Center Drive has a sign identifying it as the Forage Research Lab.

Turn right onto Center Drive/Street.

Continue on Center about two blocks until you have no choice but to turn left.

Turn left. You will be headed south on Arbor Drive.

To your right will be the loading dock area for East Union (I think it's the first right).

Unloading & Loading: a cart for equipment should be at the loading dock (probably indoors). A freight elevator is nearby. If you need help or if the cart isn't where you can find it, call the Night Manager: 402-472-9633.

Do not park at the loading dock. East Union will tow vehicles left in that area.

Directions to the parking lot from the loading dock:

Return to Center Drive and turn left at 39th.

Turn left again onto Fair Street, and from there go about 2 ½ blocks to the entrance to the parking lot just north of East Union.

Park in metered rows closest to East Union (don't pay the meters).

Exit the parking lot from the northeast corner. Club participants have been ticketed when they have exited through the parking lot entrance at the southwest corner.

Faculty Dance Club Directions for BANDS

From 33rd Street to the East Union Loading Dock

33rd Street is the north/south street that runs along the east border of East Campus between Holdredge and Huntington.

From 33rd look for **East Campus Loop** (north of the Armory).

Turn right onto East Campus Loop. You will come to a stop sign where East Campus Loop intersects with 38th Street.

Turn right onto 38th.

A second stop sign is at Fair Street. **Turn left onto Fair Street.**

Take the first right onto 39th.

Go about one block to Center Drive/Street. This street might not be marked, but is across from a parking lot where there is a green/blue light on a post. The building at the northwest corner of 39th & Center Drive has a sign identifying it as the Forage Research Lab.

Turn right onto Center Drive/Street.

Go on Center about two blocks until you have no choice but to turn left.

Turn left. You will be headed south on Arbor Drive.

To your right will be the loading dock area for East Union (I think it's the first right).

Unloading & Loading: a cart for equipment should be at the loading dock (probably indoors). A freight elevator is nearby. If you need help or if the cart isn't where you can find it, call the Night Manager: 402-472-9633.

Do not park at the loading dock. East Union will tow vehicles left in that area.

Directions to the parking lot from the loading dock:

Return to Center Drive and turn left at 39th.

Turn left again onto Fair Street, and from there go about 2 ½ blocks to the entrance to the parking lot just north of East Union.

Park in metered rows closest to East Union (don't pay the meters).

Exit the parking lot from the northeast corner. Club participants have been ticketed when they have exited through the parking lot entrance at the southwest corner.
